## The Detroit Burns Club Celebrates it's 100<sup>th</sup> Anniversary.

On May 12<sup>th</sup> 2012 Detroit Burns Club members with family, friends and former members, gathered in the Masonic Hall in Dearborn Michigan to celebrate the 100<sup>th</sup> anniversary of the founding of the Club.

The party included several past presidents of the Detroit Club, who returned for the Party. On the committee table there was a beautiful rose bouquet sent by former members Ed & Margaret Kozakiewicz, who are now resident in North Carolina.

Representing RBANA, Ron & Chrys Ballantyne, Jim & Jean

Cunningham and Elma Connor drove down from Ontario, to join in the club's celebrations.

Following the formal recognition of the anniversary and Club business the company enjoyed an excellent buffet dinner and dessert.

Following dinner Jim Cunningham presented The Detroit Club President Frank McGinty with a letter of congratulations from Jim Shields, President of the Robert Burns World Federation, and an original poem he composed, celebrating the Club's anniversary. *See page 2* One of the first objectives of the club when it was founded was the erection of a Burns Statue in Detroit which they did achieve in 1921.

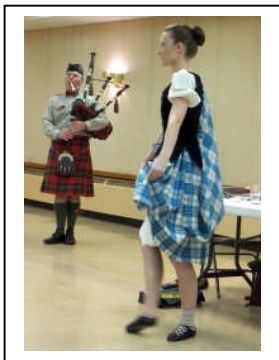

The club published a book to celebrate the achievement, titled "Burns Day in Detroit". Copies were provided to

each club member at the time, but neither the club, nor any current member has a copy.

To correct that deficiency, Ron Ballantyne, on behalf of RBANA, sourced a reproduction of the book from the internet and presented a bound copy, with a congratulatory certificate, to Frank McGinty.

*See page2*

The entertainment for the evening continued with a fine traditional set by a master piper, who then continued by accompanying displays of Highland dancing by two young people.

To finish the evening, a large Birthday cake was brought out by Johnson Cummings for all to enjoy.
