Have spoken all over the world on Burns including, Russia, Canada, USA, Australia,

New Zealand, Norway, Austria, Abu Dhabi and Northern Ireland and all around the UK.

In Jan 2018 was the first ever lady to do the Immortal Memory at the Calgary Burns Club (Canada] annual Anniversary dinner in front of 540 men, also White Hatted - made an honorary Calgarian and given a beautiful white Stetson.

Have two daughters, Victoria is married to Steve and they have two sons. My grandsons Coupar and Harrison, and my other daughter Heather is working as a nurse in Abu Dhabi.

For over 20 years had been Manageress of the Globe Inn, Dumfries (est.1610) and where Burns frequented. Now retired. I still do tours around the Globe Inn which I enjoy immensely. I worked in the hospitality industry for 50 years.

I am not an academic or expert on Burns! But would describe myself as a passionate and enthusiastic Burnsian. I believe he left a message and a legacy not just for his time but for all time. I cannot imagine my life without his glorious vision which was one of love, creative, all-sufficient, undying, unending, to be spread all over the world and I try in a small way to continue to share his message. Burns has thrown open doors for me and I have met and enjoyed immensely the company of so many like minded people, which has greatly enhanced my life. The 20 years spent at his watering hole the Globe Inn gave me such a wonderful opportunity to walk in his footsteps and each day was a gift.
